MOST COMPACT PLAN

The arrival, and the retreat

Between the street and the front door, and between the building and the beach, two spaces belong to every resident. Below ground, the whole of the basement is given to residents.

THE ARRIVAL

A lobby set among gardens

The entry sits back from the Esplanade behind a deep planted courtyard, so the walk from the street to the lift passes under a timber pergola and between tropical planting before the glass doors and the Mira signature.

THE RETREAT

A resident-only pool and lawn

Behind the building, a lap pool, sun loungers and a covered alfresco lounge sit within the landscaped rear garden — a private sanctuary a lift ride from every residence.

BASEMENT	PER RESIDENCE	STORAGE	LIFT
50 car spaces	2 spaces	Lockable cage	To every level

AVAILABILITY

Five residences sit on each level, each with its balcony to the Esplanade and the Coral Sea. Ten residences are currently available. Residences marked future release will be offered at a later date. Pricing is available from the sales team on request.

Queensland's best-kept coastal secret

Just 20 minutes from Bundaberg, Bargara blends natural beauty with village charm. Start your day strolling the Esplanade or sipping coffee on Bauer Street, then spend the afternoon on the fairways of Bargara Golf Club. With every convenience close by and the ocean at your door, Bargara feels a world away — yet right where you need to be.

01 · SHOPPING

Bargara Central

Your grocer, pharmacy and specialty stores, plus Bargara Meats, the local butcher known for hand-made sausages. For fresh produce and gelato, Bargara Berries on Hughes Road is a favourite.

02 · CAFÉS & DINING

Bauer Street to the sea

Start the day at the award-winning Windmill Café, wander to Rick's at Bargara for brunch with ocean views, book a sunset table at Kacy's, then wind down at Tipsea with cocktails and share plates.

03 · RECREATION

Beaches & fairways

Morning walks along the foreshore lead to Kellys Beach and the sheltered waters of The Basin. Bargara Golf Club, an 18-hole course framed by the coast, is three minutes' walk from the door.

04 · HEALTHCARE

Care close at hand

Local GP care at Bargara Medical Centre and Pharmacy Central. Friendly Society Private, Mater Private and Bundaberg Base Hospital are 15–20 minutes away, with the new $1.2 billion Bundaberg Hospital under way.

NEIGHBOURING · 3 MIN WALK

Bargara Golf Club

A refined 18-hole course framed by coastal landscapes, with practice facilities and social rounds at sunset. Undulating fairways, sculpted greens and seaside breezes.

REGIONAL INVESTMENT · UNDER CONSTRUCTION

New Bundaberg Hospital

A $1.2 billion investment under Queensland's Big Build programme: additional beds, expanded emergency and diagnostic facilities, and teaching capacity for the region.
